Learn more about this back saving cleaning tool. Just imagine less mess and hard floors that are done in minutes. Simply sweep debris up to the infrared sensor and automatically, Eye-Vac suctions up all particles. No more need to bend down and gather debris into dust pans. It's always on and always out, so forget about lugging that big vacuum around. The easy dump, bag-less canister will fill and let you know when it's time to empty with a red light at the top of the unit. Don't worry about costly filters as Eye-Vac has dual HEPA filters that last a lifetime. Any home with hard floors will become a cleaner home as the Eye-Vac takes the mess out of cleaning. Eye-Vac is featured in several catalogs & online stores.
